

Call for Papers

16th Workshop on THE ORGANISATION, ECONOMICS AND POLICY OF SCIENTIFIC RESEARCH

13–14 April 2023

Munich, Germany

We aim to attract contributions from both **junior and senior scholars** on topics related to the organisation, economics and policy of scientific research. A minimum number of slots are reserved for junior researchers (PhD students or Postdoc scholars who obtained their PhD in 2020 or later).

Contributions are invited on (but not limited to) one or more of the following topics:

- Organisation of research activities in universities, PROs and private R&D labs
- The evaluation of science policy
- Science in the private sector and spillovers from scientific research
- Role of individual researcher characteristics in scientific research
- Science research networks and collaboration
- Scientific careers and mobility

Please submit previously unpublished papers or extended abstracts (min 3 pages) by **15 January 2023** via <https://easychair.org/cfp/WOEPSR23>. We strive to notify authors by 27 February 2023.

Up to 18 contributions will be selected by the scientific committee based on novelty, academic quality and relevance. No review or comments will be offered to the authors to supplement the decision. All presentations will have a discussant. Accepted authors are asked to submit full papers by 27 March 2023.

Scientific Committee

Nicolas Carayol (Université de Bordeaux, GREThA) ▪ Michele Cincera (Université Libre de Bruxelles) ▪ Aldo Geuna (Università di Torino) ▪ Dietmar Harhoff (Max Planck Institute for Innovation and Competition) ▪ Hanna Hottenrott (TUM) ▪ Stijn Kelchtermans (KU Leuven) ▪ Cornelia Lawson (University of Manchester) ▪ Jacques Mairesse (Maastricht University) ▪ Fabio Montobbio (Università Cattolica del Sacro Cuore) ▪ Michele Pezzoni (Université Côte d'Azur) ▪ Henry Sauermann (ESMT) ▪ Paula Stephan (Georgia State University; NBER) ▪ Valentina Tartari (Copenhagen Business School) ▪ Reinhilde Veugelers (KU Leuven) ▪ Fabiana Visentin (UNU-MERIT, Maastricht University) ▪ John Walsh (Georgia Institute of Technology)

Local Organising Committee

Hanna Hottenrott (TUM) ▪ Thomas Schaper (TUM) ▪ Julian Schwierzy (TUM) ▪ Dietmar Harhoff (Max Planck Institute for Innovation and Competition) ▪ Elisabeth Hofmeister (Max Planck Institute for Innovation and Competition) ▪ Michael Rose (Max Planck Institute for Innovation and Competition)

Participation and Expenses

Workshop participation is **free for accepted authors** and includes catering during the event. We offer a limited number of travel and accommodation **support grants** to **junior scholars** (PhD students or Postdoc researchers who obtained their PhD in 2020 or later) without local funds.
