The Workshop Venue

The Max Planck Institute Junior Researcher Workshop 2018 takes place in the Max Planck Institute for Innovation and Competition, room E10 (ground floor), Marstallplatz 1, 80539 Munich.

Getting to the venue

You can get to the venue in various ways, but as Munich has an excellent public transportation system that consists of trains, subways, trams, and buses, we would recommend to make use of public transports. Most locations within the inner city can be conveniently reached within less than 30 minutes.

- The underground station “Odeonsplatz” is located directly next to the venue and is frequented by underground lines U3, U4, U5 and U6.
- Tickets can be bought at automatic vending machines at underground and train stations or inside buses and trams.
- For specific information on public transportation schedules, please check at Munich’s public transportation company [MVV](#), Google Maps or download the mobile journey planner of MVV.

From Munich Airport

From the airport, you can take the S1 or the S8 train into the city and get off at “Marienplatz”. From there, it is a 10 minute walk.

From Munich Central Station

From the central station, you can take any S-Bahn in the direction of “Ostbahnhof” and get off at “Marienplatz”. From there, it is a 10 minute walk. Another possibility is to take the subway U4 and U5 and get off at “Odeonsplatz”.
