

*Dr. Federica Togo Chairwoman of the Board*

### **Membership at a glance**

Membership is open to anyone with a past academic/scientific relationship with the Institute, whether as collaborating scientists, scholarship holders or guest researchers. Corporate Membership is also available.

We welcome new members who want to stay in touch with the Institute and other alumni, to benefit from our offers, to network or to contribute to research at the MPI.

## **Who we are**

### **About us**

The Alumni Association of the Max-Planck-Institute for Innovation and Competition aims to promote science and research in the Institute's fields of activity and networking among its members.
