The 14th Workshop on
THE ORGANISATION, ECONOMICS AND POLICY
OF SCIENTIFIC RESEARCH
23–24 April 2020

The Max Planck Institute for Innovation and Competition, the Technical University of Munich and BRICK-Collegio Carlo Alberto are organising the annual workshop "The Organisation, Economics and Policy of Scientific Research" on 23–24 April 2020 at the Max Planck Institute for Innovation and Competition in Munich, Germany.

Call for Papers

We aim to attract contributions from both junior and senior scholars on topics related to the organisation, economics and policy of scientific research. A minimum number of slots are reserved for junior researchers (PhD students or Postdocs who obtained their PhD since 2017).

Contributions are invited on (but not limited to) one or more of the following topics:

- The evaluation of science policy
- Role of gender and family in scientific research
- Organising research activities in universities, PROs and private R&D labs
- Spillovers from scientific research
- Collaboration and research networks
- Scientific careers and mobility

Please submit unpublished papers or extended abstracts (min 3 pages) by 15 January 2020 via https://easychair.org/cfp/woepsr2020. We strive to notify submitters by 29 February 2020.

Up to 18 contributions will be selected by a scientific committee based on novelty, academic quality and relevance. All presentations will have a discussant.
